Wood County Planning Commission Activities Report

Staff activities for December 2007 and January 2008 will be reviewed.

Wood County Comprehensive Land Use Plan

The final draft version of the updated Land Use Plan narrative and map will be presented to the Planning Commission for review and approval. This updated plan is the end result of approximately two years of work by both the Planning Commission Staff and the Steering Committee that was organized for the update process. This final draft version has undergone open public review, including two open houses where the public was invited to review and comment on the plan. It is the intent of the Planning Commission Staff to forward this version to the Wood County Board of Commissioners for official adoption if it is approved by the Planning Commission.
