Wood County Planning Commission Activities Report

Staff activities for October 2007 will be reviewed.

Zoning - Bloom Township

Bates Recycling Inc., has submitted an application to rezone approximately 1.77 acres of land in Section 6 of Bloom Township from an Agricultural zoning classification to an Industrial zoning classification. The purpose of this request is that the applicants recently acquired the 1.777 acre parcel of land, and wish to incorporate it into their existing acreage which contains a scrap – recycling operation. The parcel is located directly below Inlots 64-67 of the Unincorporated Village of Blake. Route 25, Dixie Highway is approximately 1500' feet to the west, Jerry City Road is approximately 1100' ft. to the north, Solether Road is approximately one mile to the east, and the northern corporation line for the Village of Cygnet is approximately three quarters of a mile to the south.

Land Use Plan Update

The latest draft of the updated Comprehensive Land Use Plan will be reviewed and discussed. It is the intent of the Planning Commission Staff to begin to schedule public viewings and review of the plan if this is recommended by the Planning Commission.

CDBG Project Ranking Worksheet:

The latest version of the proposed ranking sheet for helping select CDBG project applications will be reviewed. It is the intent of the Planning Commission Staff to adopt a version of this worksheet in the near future to help aid with the annual selection process of CDBG projects.
